

Nursery Autumn 1: It's Good to be Me

Curriculum connections

0

English

Learn by heart a number of nursery rhymes such as; 'Heads, shoulders, knees and toes', 'If you're happy and you know it', 'Humpty Dumpty', 'Miss Polly had a Dolly' and 'The Hokey Cokey' as children engage with 'Rhyme of the Week'.

Tune into different sounds; environment, animal, musical instruments.

Begin to engage in extended conversations about stories shared at home and in nursery.

Build a rich vocabulary by listening to a variety of books including information text linked to our Learning Quest topic and special events such as National Recycling Week.

Practicing to use our 'Word of the Week'.

To understand that print has meaning and different functions: books, signs, logos.

Begin to write in a variety of ways through play based experiences; shopping lists, family pictures, name writing.

0

Maths

Begin to sequence key times of the daily routine-morning, lunchtime, afternoon, home time, soon, later.

Begin to understand and use positional language to find resources and help put things away at tidy up time. To say the counting sequence up to 5 in playful contexts: number rhymes, role play.

Begin to recognise numicon plates to 5: labels in classroom such as 'four and no more'.

Begin to talk about patterns 'spotty' 'stripey' 'pointy'.

Begin to sort and match objects that look the same-pairs of socks, buttons, natural objects.

Use shapes for different purposes both indoors and outside-construction blocks, den-making materials.

Begin to compare objects based on size, mass and capacity.

Children will be challenged to 'dig deeper' - show what they have learnt in a variety of contexts and situations in different areas of the provision.

0

Understanding the World

Use all their senses to explore natural objects and talk about what they see: leaves, acorns, pine cones.

Begin to understand how we care for our planet and other animals.

Talk about their own families; sharing family photos and memories using 'busy book' home learning.

Talk about how we are different from one another: self portraits, jigsaw circle time sessions, books.

Learn each other's names: name games, ring games

Become familiar with the changing of weather, seasons and days and months of the year through a daily morning routine.

Begin to explore how things work and the forces they can feel: pegs and board, magnets, stretching elastic bands.

Learn about who we are, why we are special and where we belong through religion, world views and experiences.

0

Expressive Art and Design

Join in with pretend play: small world, role play, puppet shows, small and large scale construction projects.

Explore different materials to develop own ideas about how to use them and what to make-junk modelling, masking tape, card, newspaper, glue, paper clips.

To draw from their own imagination and what they have seen-real life objects, family, self portraits, famous artists

To begin to explore colour and colour mixing-paints, crayons, chalk, Learn to create collaboratively, sharing ideas, resources and skills.

To learn new songs and begin to remember them-sing with whole class, as part of a small group in music area.

Experiment with different percussion instruments to find ways of playing them and to express their feelings and ideas.
