Dear Parents

### Enrichment clubs Summer 2021

We are happy to inform you that we have a range of exciting enrichment clubs available after school for your child to sign up to in the Summer term, 2021. We believe that clubs give children the opportunity to develop new skills, make friends and build upon their ever-growing confidence and life skills.

Grange Park and external providers are running these clubs in accordance with the relevant [protective measures guidance](#) set out by the DfE. The government's intention is for out-of-school settings and wraparound childcare providers to be able to offer provision, to all children, without any restrictions on attendance, from the start of the school summer term. This will be no earlier than 12 April, and will be confirmed as part of step 2 of the [COVID-19 response spring 2021](#).

Each club will only be open to one year group. Within the club, children from the same class will be grouped together. The children will continue to practise hand washing routines and the club venue (if indoors) will remain well ventilated and cleaned before and after use. If there are further restrictions put in place or another school closure and the club cannot continue, the cost will be refunded.

Below is a list of the **internally** run clubs for the Summer term 2021:

For the Summer term, all internal clubs will commence the week beginning **26 April 2021** until week ending **16 July 2021** (excluding half term). The clubs will finish at **4:15pm**. Children should be collected in the meeting area by the school gates from the adult who runs the club.

We are keeping the charge for the upcoming academic year at **£5** per child per session, therefore the cost of each club for the Summer term will be **£55 (for 11 weeks)**. If your child is **Pupil Premium**,

then the school can fund your child's place at one club. This reasonable charge is intended to fund resources required for these activities, cover staffing costs and also contribute to investing in the school in a variety of ways.

Internal clubs will be available to book and pay for, via a payment item, from the afternoon of **Thursday 18 March**. Please select payments, then 'shop' to access the payment item. Places will be allocated on a first come first served basis. Please do not book your child a place on the club unless you are sure that they want to partake, as booking unwanted places may prevent another child from being successful in joining the club. We are unable to offer refunds should the club be booked in error. Once the club is full, you will no longer be able to view the payment on Parentmail, so in that case, please email the school office, in order for your child to be added to the waiting list. A letter confirming your child's place and the details will be sent via Parentmail by **Friday 26 March**.

There are also externally run clubs in the school, listed below. In order to find out more details of the club and the cost, please email the contact email below. The bookings for these clubs should be made directly with the club contact.
