Dear Parents

Virtual Author Visit Book Sale

We are delighted to announce our collaboration with Pea Green Boat Books as part of our World Book Week celebrations.

If you're interested in getting your hands on the books written by our visiting authors, please head over to the Pea Green Boat Books website (pgbb.co.uk). There, you will find books by authors such as **Kiran Millwood Hargrave, Lissa Evans, Steve Smallman, Greg James & Chris Smith, Onjali Rauf, SF Said** and in some cases you can even purchase personalised and signed copies of their books!

When purchasing books, a box will appear asking you to enter the school's name. That is because for **every book purchased, Pea Green Boat Books will donate £1 to the school** so we can buy books for the Reading Hub.

Books will be paid for through the company's website and posted directly to your door, meaning that any enquiries relating to purchases will need to be had with the book sellers directly rather than the school office.

This is a lovely opportunity and hopefully one the children will relish.

Kind regards
