

Year 1 science	
Objective	Strand
Identify and name a variety of common wild and garden plants, including deciduous and evergreen trees	Plants
Identify and describe the basic structure of a variety of common flowering plants, including trees	Plants
Identify and name a variety of common animals including fish, amphibians, reptiles, birds and mammals	Animals, including humans
Identify and name a variety of common animals that are carnivores, herbivores and omnivores	Animals, including humans
Describe and compare the structure of a variety of common animals (fish, amphibians, reptiles, birds and mammals, including pets)	Animals, including humans
Identify, name, draw and label the basic parts of the human body and say which part of the body is associated with each sense	Animals, including humans
Distinguish between an object and the material from which it is made	Everyday materials
Identify and name a variety of everyday materials, including wood, plastic, glass, metal, water, and rock	Everyday materials
Describe the simple physical properties of a variety of everyday materials	Everyday materials
Compare and group together a variety of everyday materials on the basis of their simple physical properties	Everyday materials
Observe changes across the four seasons	Seasonal changes
Observe and describe weather associated with the seasons and how day length varies	Seasonal changes
Asking simple questions and recognising that they can be answered in different ways	Working scientifically
Observing closely, using simple equipment	Working scientifically
Performing simple tests	Working scientifically
Identifying and classifying	Working scientifically
Using their observations and ideas to suggest answers to questions	Working scientifically
Gathering and recording data to help in answering questions	Working scientifically
