Dear Parents

Re: Rescheduled Attendance parent workshop: Thursday 31 March 2022

On **Thursday 31 March at 9am**, Jacqui Summers will be running this rescheduled workshop for parents that explores the importance of good attendance in giving children the best possible start in life.

The workshop will explore the following areas:

- Morning and evening routines
- Expectation of attendance and punctuality
- The importance of regular attendance in meeting the educational and social needs of your child
- Challenges faced by parents and children

Parents attending the workshop should drop their child off as usual and then make their way to the **round hall** (by the main entrance).

Best wishes

Rebecca Neale
Deputy Headteacher
