Free Instrument lessons for Pupil Premium children with Enfield Music Service (EMS) Summer 2022

Dear Parents

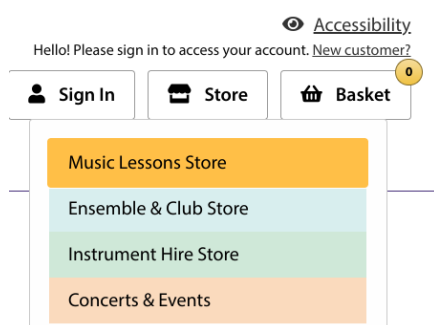

The following is to inform you about funding you may wish to access for your child. The Government provides additional funding for children who are currently eligible for, or who have in the past been eligible for, free school meals, and for those in Local Authority Care. This funding is called the Pupil Premium and we receive this funding for your child. At Grange Park we use the Pupil Premium in a variety of ways to promote the learning of children who are eligible for it. This includes covering the full or part costs of musical tuition through the Enfield Music Service.

If you wish to enrol your child in lessons, Grange Park **will pay the full cost of a weekly group lesson** which for the spring term is **£69** . All lessons are given face to face in school.

A group lesson means your child will have 20 minutes a week with one or two other children in the group. If you wish for your child to have individual lessons you will just need to pay the difference of **£51** as the full price is £120 without funding.

All lessons need to be booked on the Enfield Music Service website. If you have already created an account, you can book easily: click on **Sign in** then **Store**, then **Music Lessons Store**. If you have not yet created an account you will need to click on **New customer** which is in the **top right hand corner** of the page, below 'Accessibility'. Please click below to access the website. Remember, this will be discounted by the school who will pay the cost of a group lesson and you will pay the difference if you wish to. Please use the following website where you will find all the prices by clicking on **Store**.

We currently have piano, keyboard, violin, guitar, ukulele, drums, woodwind (including clarinet, a lighter version of a clarinet) and brass tutors delivering weekly lessons. There is also a flute which has been donated to school for anyone who would like to learn. It is recommended from year 4 up. Please email the office to ask me about this. It is also possible to hire instruments from EMS.

To enrol your child for lessons, please email the school office first, stating the name of your child and which instrument they would like to learn and declaring that your child has free school meals. The office will complete a form, I will sign this for you and then email it to you so that you can **upload this to the Enfield Music Service website when you book the lessons**.

I do hope you will consider this amazing opportunity of funded instrument lessons. Please let me know if I can be of further assistance in choosing an instrument right for your child.
