

Dear Parents

Trent Country Park entrance along Merryhills Brook

Year 2 have planned an exciting visit to Trent Country Park entrance along Merryhills Brook as part of our comparison study between a small area of the UK and a small area of Madagascar. The purpose of the visit will be to use simple fieldwork and observation skills to study the geography of the area surrounding our school.

Kingfisher Class will be visiting on Friday 19 April 2024.

Woodpecker Class will be visiting on Wednesday 24 April 2024.

Robin Class will be visiting on Friday 26 April 2024.

We will be travelling on foot. The children will be leaving school at 9:30 and will return at 12:15 for their usual lunchtime.

Your child should wear school uniform, a suitable jacket and footwear. Please ensure that your child brings a bottle of water with them inside a carrier bag.

If you are available and would like to accompany us on the trip, please express your interest on Parentmail and your class teacher will confirm parent volunteers once all responses have been submitted.

All children on our asthma register must make sure they have an up to date pump with them on the day. Children without their pumps will not be allowed to go.

Many thanks for your continued support.

Yours sincerely

Year 2 Team
