RE: Talents and Interests Assembly Golden Bear Assembly

Dear Parents

As you are aware, each term we celebrate children's talents and interests through our 'Talents and Interests' assembly. As a school we want to develop children's talents and interests by introducing them to a broad range of experiences so with this in mind we will be showcasing the talents and interests of different people within our community.

A primary focus of our curriculum is to raise aspirations and to engender a sense of personal pride in achievement so during this assembly we would like to celebrate the achievements made by the children of Grange Park Primary School in their out of school endeavours as well as any extra curricular activity that they do here.

If your child/ren has/have received an award of any sort (certificate, medal, trophy) **this term** we would like them to bring it to school on/by **Wednesday 6 December** so that their achievements can be celebrated in the assembly and awards can be shown. Please ensure that they are labelled with your child's name and are given to the teacher, by yourself or your child/ren, at the beginning of the day letting them know what it is and to ensure safe keeping.

Thank you for your continued support, we look forward to hearing about your child's talents, interests and successes!

Best wishes

Rebecca Neale
Deputy Headteacher
