

Sportathon

3rd-6th
FEB

Charity Fun Run 2020

This year's Sportathon week is running in our school from 3rd - 6th Feb. It is a great opportunity to promote the importance of an active lifestyle to our children as well as trying to raise **£5,000** for our new playground markings.

Every child will be encouraged to participate in a 10 minute fun run during PE lessons and the sports coaches will be on hand to encourage, advise and motivate them.

The number of laps run will be recorded and the distance covered will be calculated.

This flyer includes the sponsorship form that everyone can fill with their details and the money collected from friends and family.

We also have our Donate page, please see link below which you can share with all:
<http://easydonate.org/HTDT002>

Thanks again for your continued support, GPPSA and Grange Park PE Team
