Please also note the following organisational details to ensure safety for our children and smooth running of the event:

- All parents should sign the class register and collect a visitor sticker on arrival.
- Parents should use adult toilets only, and need to be accompanied by a staff member. They should not take their own child to the toilet.
- If you need to move to another classroom in the school (because you have another child taking part in CLWM at the same time) you will be escorted there with an additional adult in the year group. For the safety of the children, please do not walk through the school unaccompanied.

We look forward to seeing you there.

Kind regards
