

Dear Parents,

On Friday 19 March we will be supporting Comic Relief's Red Nose Day Campaign. This year's theme is 'Funny is Power' and the children will take part in activities to raise awareness and promote acts of kindness towards themselves as well as others. This theme also provides a brilliant opportunity to not only celebrate the power of humour and laughter in connecting and helping us through challenging times but also a chance to celebrate the heroes that our children have been in this time of unprecedented change.

All pupils are invited to come to school on **Friday 19th March** dressed as a superhero and also take part in a pay to play class quiz among other activities.

As the theme is 'Funny is Power', we will also be inviting children to share their favourite jokes on the day as part of a competition to find our very own 'Humour Champions' across all classes within the school. The winning jokes will be published in the News Roundup to spread the cheer with our whole school community!

Pupils across all classes will also have the opportunity to learn more about how Comic Relief uses its donations from Red Nose Day and the important projects it supports. All activities will take place in class bubbles in line with COVID safe arrangements.

Families will be asked for a suggested donation of £1. Donations can be a cash payment sent in with your child on the day or alternatively, you may wish to use our cashless donations page. Please use the following link to access our [donation page](#). You can select your choice of donation amount by clicking "Give Now" deleting the default amount that is shown in the box and replacing it with whatever you would like to give.

To find out more about Red Nose day this year, you can visit <https://www.comicrelief.com/rednoseday/>

We are really looking forward to recognising and supporting this important cause with you!

Kind regards
Issie McAnuff
