Dear parents

### **Resources and content for Relationships and Sex Education (RSE)**

From Monday 18 January to Friday 5 February 2021, you had the opportunity to engage with and give feedback on the new government guidance for Relationships and Sex Education (RSE) and how we will be implementing this at Grange Park through our new scheme of learning for PSHE. All of this information is still available to view on the school website and through the links below.

In response to the feedback received, we will be offering the opportunity to view the resources and content used for Relationships and Sex Education through a virtual workshop on **Monday 15 March 2021**. Please see the details below. Click on the link at the time of the meeting.

We strongly encourage you to attend these sessions in order to be well informed of your child's Relationships and Sex Education. We advise you to join the meeting for your child's year group, however you are welcome to join any of the sessions if you would like more information regarding RSE across the school.

For the academic year 2020-2021, the Changing Me topic will be taught in Summer 1 and the Relationships topic in Summer 2. Please note that the teaching of Relationships is not limited to the Summer term and elements will be embedded within the PSHE curriculum throughout the year for all year groups. More information on this will be given during this virtual workshop.
