Dear Parents

Relationships and Sex Education (RSE) virtual parental engagement

As part of your child's education at Grange Park, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy and productive lives and meet their full potential. PSHE is taught throughout the school in every year group and is monitored and reviewed regularly.

We would like to invite you to find out more about the new government guidance for Relationships and Sex Education (RSE) and how we will be implementing this at Grange Park through our new scheme of learning for PSHE. All of this information is accessible on the school website, under the PSHE tab, or can be accessed through the following links.

Please click on the following [link](#) to watch the parental engagement virtual presentation.

Please click to find the Enfield Learning Trust [Relationships and Sex Education \(RSE\) Policy](#).

After engaging with the following materials, we would appreciate your feedback. Please complete this [Google Form](#) by **Friday 5 February 2021**.

Thank you for taking the time to engage with the Relationships and Sex Education parent information.

Kind regards

Rebecca Eldridge
