

Tuesday 23 March 2021

Dear parents

From Monday 18 January to Friday 5 February 2021, you had the opportunity to engage with and give feedback on the new government guidance for Relationships and Sex Education (RSE) and how we will be implementing this at Grange Park through our new scheme of learning for PSHE.

Following this, you had the the opportunity to view the resources and content used for Relationships and Sex Education through a virtual workshop held by Rebecca Eldridge on Monday 15 March 2021.

We understand that the thought of talking to your children about sex and relationships may still worry or confuse you. We would therefore like to invite you to join Jacqueline Summers, (Senior Parent Support Advisor at Parenting Support Service in the Early Help Family Hub) on **Tuesday 30 March between 1pm-2pm** when the following topics will be covered:

- Puberty and growing up (physical and emotional changes)
- Keeping children safe from harm
- Sex and relationship education in the family home, confidence to answer questions and communicate effectively.

We look forward to you joining this virtual event.

Kind regards
