Welcome to Picasso class

Information for year 6 parents: September 2023

Staff

Class teacher(s): Ian Gregory

Support staff: Athena Andreou

Year group Achievement Leader: Ian Gregory

Attendance and Punctuality

- Children achieve most when they are in school on time every day. We have a whole school target of 97% attendance. A positive and prompt start to the day is important for the whole class in order to feel confident, settled and to achieve their best
- Our day starts with a meet and greet with the adult welcoming the children into the classroom, late children miss this opportunity and the adult misses the opportunity to touch in with each of the children
- Doors open from **8:45am** and children should be in class very soon thereafter
- Children arriving **after 08:55** will be marked late on the register
- If your child is ill or absent due to a dental or medical appointment, please notify the school via ParentMail. Wherever possible please book appointments outside school hours
- Parents must warn the office in advance of early collections
- Percentages for attendance and punctuality across the school are featured in our family assemblies and the school Newsroundup

End of the day

The day ends at 3:25pm for all the children in Reception - year 6:

- Please collect your child from the area near the front gate (same as last year)
- Year 6 can walk home alone with permission provided to the office by parents
- Enrichment opportunities are as normal and available to book on ParentMail.
- Wrap around care offered, Extend, information on the website

After school enrichment clubs finish at 4:30pm, and the Extend After School club finishes at 5:50pm.

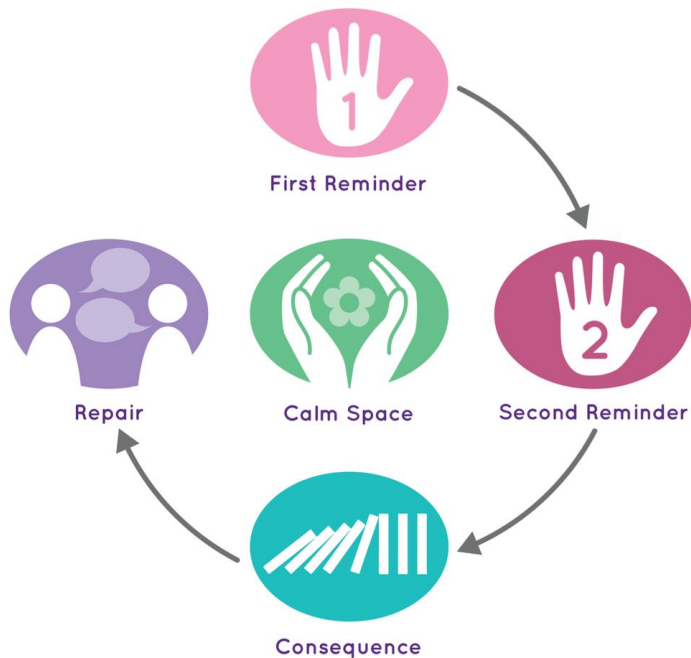

Behaviour for learning

- We have high expectations of children's behaviour in the classroom, when moving around the school and at play and lunchtimes.
- We recognise and celebrate positive behaviours wherever they are seen, using them as a model to inspire and share with others.
- We expect children to follow 'The Grange Park Way' at all times and take responsibility for themselves, others and the environment.
- We have 3 step routines for all transitions and key points in the day to ensure the children understand our expectations and know how to follow them.
- Routines provide a sense of stability and predictability

The Grange Park Way Behaviour Pathway

- If children are displaying unwanted behaviours (whether they are instigators or retaliators) we will support them to make positive choices using the Grange Park Behaviour Pathway. If they are unable to meet our expectations there are consistent and fair consequences followed by repair using a restorative approach.
- We expect the children to take ownership of these unwanted behaviours and therefore accept the school's consequences. We expect children to trust that all children involved have been treated consistently and fairly.
- Your support is invaluable in ensuring that children know and understand what is expected of them when in school, and that they accept their role in poor choices that have been made. We also will not necessarily feel that our choices need to be explained in detail as they are consistent and fair according to our behaviour for learning guidelines (found on the school website).
- We will also not discuss other children with yourselves as this does not safeguard those children.

We acknowledge positive behaviour by...

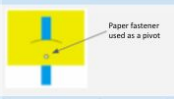

Recognition	<ul style="list-style-type: none">● Positive notes - Proud Post slip● 'Special Mention' in weekly celebration assembly followed by proud post slip● Class recognition board● Character/Values stickers● 'Gotcha' tokens● Headteacher/Deputy Headteacher awards
Messages home	<ul style="list-style-type: none">● Phone calls● Emails
Always Star badge	<ul style="list-style-type: none">● For those children who 'go above and beyond'

Our learning connections

- As teachers we understand that learning is most successful when the children have had the opportunity to make connections with learning they have done in the past and will be doing in the future. Learning also should be organised and meaningful.

The curriculum

We ensure our pupils experience a broad and balanced curriculum and have a long-term memory of an ambitious body of knowledge.

Our coherently planned curriculum uses the National Curriculum as the basis for subject content and expectations. It is planned and sequenced, so that new knowledge and skills build on what has been taught before, towards clearly defined **endpoints**. It informs what pupils need to know and be able to do to reach those points.

These endpoints can be found on our website in the curriculum tab.

Home School Diary and Reading Record (purple books)

- Home School Diaries are used in KS2. These contain support materials for maths, reading, spelling lists, handwriting, recommended reads and question stems to support reading at home
- They also contain all digital logins for the children
- These books need to be in school each day
- These books double up as Magpie Books, providing the children with space to note down interesting phrases spotted in their reading
- This is where parents (or your child - depending on their age) should record their child's daily reading, note new and tricky words they have read, and where you will find our school word of the week to practise and use in everyday conversation.

IT at Grange Park

- In order to succeed in this ever-changing landscape, Connect Education Trust believes that its pupils are going to have to learn new skills later in their life. Roll out of 1:1 Chromebooks in 2020
- IT skills are taught in computing and then used across the curriculum to enhance learning. It is imperative that their Chromebooks are brought in every day, fully charged.
- The children use many Apps at school. Some are facilitated by the teacher for example G Suite (Slides, Docs, Sheets, Jamboard, Earth, Drawings and Classroom), Google Expeditions, Nearpod, Flipgrid, ScreenCastify, ThingLink and Adobe Spark, and the children have logins for others:

Apps used by the children (with logins)	
Y1 - Y6	Spelling Shed
Y1 - Y6	Google Classroom
Y2 - Y6	TTRS
Y6	SATs companion
Y4 & Y5	Mirodo
Y1	Numbots

- Weekly spelling tests are completed on the Spelling Shed App

Chromebooks

- Must be brought to school daily, fully charged
- Ensure it is treated with care
- Ensure use is monitored at home - the chromebooks are for educational purposes only, and to be used by your child only

At school we teach online safety discreetly and through parts of the curriculum, we monitor use and ensure that the equipment is for the sole use of your child. Children are given adequate time off the chromebooks.

Parents, please ensure you are also monitoring your child's IT use on their other personal devices.

Forest School at Grange Park

Chloe Goldsmith and Timothy Brooker are qualified Forest School leaders, and they plan for and deliver our Forest School program. They work closely with our teachers who also, at times, deliver the forest school curriculum.

Each year group (Nursery - Y6) has been timetabled over the course of the year. You will be provided with more information prior to your child taking part in Forest School.

Forest School at Grange Park

The impact this program has on the children that have already had the experience is significant:

- Our Forest School program is multi-sensory and has supported the improvement of concentration and the motivation to learn.
- Our program has also supported our children to gain more independence and self-confidence.
- Our program has supported their skills to work together and collaborate in group tasks
- It also reduces anxiety and builds resilience
- We have noted the improvement in the children's communication skills.
- Our program also has a significant impact on children with any additional needs.

Home Learning

- Home Learning expectations are also set out very clearly for parents on the website: [Home learning guidance](#)
- A home learning timetable is uploaded to the children's Google classroom every week to ensure they are able to navigate with ease
- SATs Companion will be used regularly and children should now have their logins for this. Unfortunately, we were unable to release these before the end of last year.
