For the spring term, all clubs will commence the week beginning **15 January 2024** until week ending **22 March 2024** (excluding half term and inset days). The clubs will begin straight after school at **3:25pm** and finish at **4:30pm**. Children should be collected in the designated meeting area near the school gates from the adult who runs the club.

The charge is **£5.50** per child per session, therefore the cost of each club for the spring term will be **£49.50** (for **9 weeks**). The clubs on Thursdays will be £44.00 as we have an inset day on Thursday 8 February 2024 for Learning Conversations. If your child is **Pupil Premium**, then the school will fund your child's place at **one** club throughout the year. This reasonable charge is intended to fund resources required for these activities and also contribute to investing in the school in a variety of ways.

Clubs will be available to book and pay for, via a payment item, from **7pm** on **Monday 11 December 2023**. Please select **payments**, then **'shop'** to access the payment item. Places will be allocated on a first come first served basis. Please do not book your child a place in the club unless you are sure that they want to partake, as booking unwanted places may prevent another child from being successful in joining the club. **We are unable to offer refunds should the club be booked in error.** Once the club is full, you will no longer be able to view the payment on ParentMail, so in that case, please email the school office, in order for your child to be added to the waiting list. Once payment has been made your child's place in the club is secured.

Externally run clubs should be booked directly through the provider using the details provided above. These clubs will begin straight after school at **3:25pm** and finish at **4:30pm** (unless otherwise stated). Children should be collected in the meeting area by the school gates from the adult who runs the club.
