

Nursery Autumn 1: Wonderful Me

Curriculum connections

0

English

Listen to stories and poems.

Join in with familiar rhymes and songs to develop rhythm, rhyme awareness, and phonological skills.

Retell or join in with simple stories.

Learn by heart a number of nursery rhymes such as; 'Heads, shoulders, knees and toes', 'If you're happy and you know it' and 'Humpty Dumpty'.

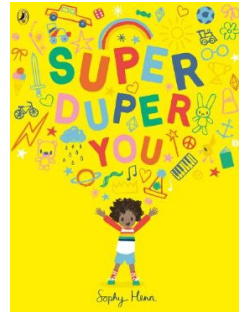

Talk about the picture books engaging in back and forth conversation.

Ask and answer questions during storytime.

Use marks to represent ideas, stories or thoughts.

Talk about themselves using positive language, "I am good at...", "I like to..."

Join in with circle time; saying their name allowed to a group.

0

Maths

Begin to understand and sequence key parts of the daily routine, such as morning, lunchtime, afternoon, and home time, using language such as, "now", "next", "soon" and "later" to develop time awareness.

Start using and understanding positional language, such as "in," "on," "under," and "next to," to locate resources and help with tidying up during transitions and routines.

Say the counting sequence up to 5 in playful and familiar contexts, such as during number rhymes, role play, and everyday activities, to build early counting skills.

Begin to talk about and describe simple patterns, using language like "spotty," "stripey," and "pointy," to explore visual patterns in the environment.

0

Understanding the World

Understand how to care for the environment and animals, developing compassion for living things through hands-on activities and discussions about looking after nature and wildlife.

Talk about their own families, sharing family photos and special memories through Tapestry home learning activities, fostering an understanding of personal history and family traditions.

Discuss how we are different from one another, exploring diversity through self-portraits, circle-time sessions, and inclusive books, encouraging respect and celebration of individual uniqueness.

Learn each other's names through name games and ring games, building social skills and a sense of community within the group.

Become familiar with weather, seasons, and the passage of time, engaging in a daily morning routine to learn about the changing weather, days of the week, months of the year, and seasonal changes.

0

Expressive Art and Design

Join in with imaginative play, engaging in small world activities, role play, and small and large-scale construction projects to develop creativity and storytelling skills.

Explore different materials to develop their own ideas, experimenting with junk modelling, masking tape, card, newspaper and glue to decide what to make and how to use various resources.

Begin to explore colour and colour mixing, using paints, crayons, chalk, and other art materials to understand how colours interact and change. Learn to create collaboratively, working with others to share ideas, resources, and skills, fostering teamwork and cooperation in creative projects.

Experiment with different percussion instruments, discovering ways to play them and using music to express feelings, ideas, and stories.
