

21 January 2025

Dear Parents

**Learning Conversations for Nursery: Thursday 13 February 2025**

We are excited to invite you into the school for learning conversations on **Thursday 13 February 2025** from **11.00am - 6.50pm** for Nursery. Remember that Thursday 13 February is our inset day, so the children are not in school this day. **School is open as normal on Friday 14 February 2025.**

**Slots will be available to book via Arbor from 7pm on Tuesday 21 January 2025.** On the Arbor homepage you will receive notification that a Guardian consultation has been set up and slots are available to book. You need to select the booking page and make your booking.

Parents will be asked to select an allotted ten minute session at the time most convenient for them, according to the sessions available, which will be allocated on a first come, first served basis. **If you have more than one child, please ensure you leave plenty of time between appointments to avoid overlaps.**

Each parent can book one ten minute session to speak with your child's teacher, to hear how they are getting on, and ask any questions. During the conversation, your child's teacher will discuss how your child has engaged in their learning, what their targets are and how they are building relationships within the class since the last learning conversation meeting. Out of courtesy to other parents, please keep to the time set.

Members of the headship team will be available to speak to parents on the day if they would like. Parents will need to make contact via the office separately and book an appointment, if so.

Please arrive ten minutes before your first appointment and enter through the round hall doors then proceed to Acorn Classroom. Your child is invited to join you for the learning conversations.

We look forward to sharing your child's progress with you on this very important event.

With my very best wishes

Tijen Hassan  
**Headteacher**
