Dear Parent

Supporting Your Child's Education: Voluntary Donations for Y1-Y6

Last year, we invited parents to support their child's education through voluntary contributions, and we are deeply grateful to those who participated. Thanks to your generosity, we raised £1315.00 for the school, which contributed to purchasing Chromebooks for Year 1 and Year 4 pupils last year.

We hope you have enjoyed watching the videos showcasing the positive impact these Chromebooks have had, which have been shared on the Newsroundup. If you missed it, you can view our videos [here](#).

This year, we are once again asking parents to consider making a voluntary donation. We have purchased another set of Chromebooks for Year 1 and Year 4 children who will be receiving these in the next few weeks. In addition to helping us provide new Chromebooks, your contribution will also support the school's overall budget, which faces increasing demands. These donations enable us to continue offering a wide range of enriching experiences and valuable resources that enhance learning, ensuring that all of our children receive the best possible education.

Donations can be made as a one-off, or on a termly or monthly basis via Arbor. There is no set amount—contributions are entirely voluntary, and any amount is greatly appreciated.

Simply log in to **Arbor**, under **school Shop** to make your donation in multiples of £10, £20, £50, £100.

Thank you once again for your continued support. Together, we can continue enhancing the educational experience of our children

Warm regards

Tijen Hassan
