

# Grange Park Primary School Year 6 Summer 2 Spanish

Spanish: Paises hispanohablantes *Spanish speaking countries.*

## Overview

Children will choose a Spanish speaking country. Do some research about the country's geography, culture, history, famous landmarks, food, language, and any other interesting facts. Incorporate Spanish vocabulary and phrases into their presentations.

## Culture

### San Fermín bull-running festival

The running of the bulls is the main attraction in this famous celebration. The city of Pamplona is world-famous for its fiestas of San Fermín Festival. Thousands of people go there every year to experience the risk and the thrill of the running of the bulls. San Fermín starts at 6am on 6 July. The first running of the bulls takes place the next day: at 8 am the doors to the Santo Domingo corral are opened and hundreds of people run ahead of the bulls on a route around the old town to the bullring.

## Key Sounds

qu ñ j v e ll

qu

Pronounced like K.

ñ

In España, año and bañador (Spain, year and swimsuit).

j

In pijama (pyjama).

v

In the whale conjugation of the verb TO GO.

e

Pronounced like in the word EGG.

ll

Sounds like yeah!

In this topic children will make an end-of-year project where they will create a presentation about a Spanish-speaking country. This project could incorporate various skills such as research, writing, speaking, and creativity.
